

Family Hubs provide support to families from pregnancy to the age of 19, or 25 if your child has special educational needs and/or disability (SEND).

Our Start for Life offer covers everything you need during pregnancy, right up until your child turns two. This includes support and groups to help you:

- During pregnancy and after your baby is born (antenatal and postnatal)
- With feeding your baby from support with breastfeeding, to weaning and eating healthily as a family
- Understand your child's wants and needs and how to support their development
- Get your child ready to start school or nursery

We don't stop at the age of two, we offer support as your child grows, through puberty and into adulthood. This includes information, online programmes and groups to help with:

- Understanding your child/teenager's behaviour
- Your child's wellbeing, both for you and your child
- Supporting your child with additional needs
- Your relationship and your family relationship
- Your child's health

We can also provide advice and support around:
